Josh:
Bob Coble telephoned, leaving a voicemail, and wanting to make sure he was straight for the hearing for next Monday. He is now the Company's instate lawyer. His telephone number is 803-253-8211. You may want to communicate with all parties and then you will be communicating with Bob. He thought I might be the hearing officer, but I see you are the official hearing examiner.

Thanks,
David Butler
